MANDATORY MEDICAL FORMS

Medical examinations must be arranged with your family physician. The Medical Form #3040 and Immunization Form #680 (supplied by your physician) must be completed and returned to the Camp Office in the Sports & Wellness Building or the Zale Early Childhood Office, at your child's Meet & Greet or on the first day of camp.

CAMPERS WILL NOT BE PERMITTED TO ATTEND CAMP WITHOUT COMPLETED MEDICAL FORMS.

HEALTH HISTORY FORM

Health history forms allow you to provide information to help us work most effectively with your child(ren). These forms are reviewed only by Camp Directors, and only the relevant information will be shared with your child(ren)'s counselors. Even if your child is returning to camp, he or she may have counselors that do not know him/her. We ask that you complete this form thoroughly and completely, regardless of your child(ren)'s age or previous years at camp.

Information pertaining to any medications that you will be sending with your child to camp is to be included on this form. As part of the terms and conditions of enrollment in camp, we also ask parents to inform us about other medically related issues affecting your child(ren). This includes any pre-existing cognitive, social and/or motor disabilities, or a change in dosage of regularly prescribed medication. All health and medical forms are located at levisjcc.org/camp in the Parent Portal under Forms and Documents.

MEDICATION

A Permission to Administer Prescription Medication form must be filled out and signed by both physician and parent or guardian for all campers if your child is to take any medication during the camp day. All medication, prescription or over-the-counter, must be kept by the nurse (or trip leader when traveling) unless special circumstances exist. Please bring this form and the medication to the nurse at your child's meet and greet or on the first day of camp. Medication will be administered only under the following conditions.

- The medication must be in the original prescription container. The container must have a label with the name of the child, name of the medicine, dosage, the date and the name of the doctor.
- The prescription medication will be administered according to label instructions only.
- Parents of EC CAMPERS are required to have a meeting prior to camp to discuss any medications to be administered. Please contact Adele Fine at 561-852-3233 to schedule.

ILLNESS

The Camp Infirmary (Room 120) is staffed by a licensed nurse. In cases when we feel the child should be taken home due to illness, we will ask parents to come and pick up their child. If your child is not feeling well (and you know this better than anyone else) in the morning, please keep your child home. A child that is vomiting or has fever or diarrhea will not be permitted to remain at camp. We wish to protect all the children coming to camp. If your child contracts any contagious disease, please notify the camp office immediately.

CAR DECAL

All drivers entering campus must have a valid license and/or a decal on their car. One decal per family will be provided at no charge. Additional decals can be purchased for \$10 (cash or check) in advance on the Car Decal form located in your CampMinder account, accessible through the parent portal at levisjcc.org/camp. Please return this form to the camp office prior to the start of camp. Please note you must also include a copy of your driver's license when you return the form.

WHAT TO WEAR & BRING

CAMP APPAREL Each camper is required to wear an official camp t-shirt on all Fridays and Upper Camp off-campus trips. Each camper will be provided with one official camp shirt. Bogrim & Manhigim: 3 shirts

Please do not send campers with food, jewelry, iPads, toys or cell phones (unless going on a trip). We are not responsible for items that are lost or damaged while at camp or on a trip.

MORNING DROP OFF

EARLY CHILDHOOD: Starting at 8:45 am, children will be greeted at the cars in front of Zale and escorted safely to their appropriate camp room. There are two lines in the front of the Zale Early Childhood Learning Center. The line on the left is for parents waiting for parking spots. The line on the right is for the carpool drop-off.

If your child is crying, upset, or unwilling to leave your car, please park in a parking spot and walk your child into his/her camp room. In the event your child is unable to separate, you will be asked to remain in the camp room until your child is comfortable.

EARLY CHILDHOOD 2's 1/2 DAY: Parents of campers who attend the 9:00 am - 12:00 pm session must escort their child to their camp room.

UPPER CAMP: Starting at 8:35 am, children will be greeted at the cars in the Cypress Preserve and escorted safely to Zinman Hall.

CAMP KAVOD: Starting at 8:35 am, children will be greeted at the cars in the Cypress Preserve and escorted safely to Zinman Hall. **New campers must be walked to their camp room for the first two days of camp.**

CAMPERS IN DIFFERENT GROUPS: If a car has campers going to both Early Childhood and Upper Camp or Camp Kavod, the older campers and/or Kavod campers must be dropped off first. The remaining early childhood campers need to be dropped off at the Zale Drop-Off Area by the parents.

THEATER CAMP: Drop off is at the **Sandler Center** on the Levis JCC campus. We recommend using the 95th Ave S entrance for easiest access. Campers can be dropped off starting at 8:45 am. (Drop-off and pick-up are always at the Sandler Center.)

CARPOOL LINE: We ask all parents to remain in their cars while in the carpool line, unless your child is being walked in.

MORNING DROP OFF: PRE-CARE

UPPER CAMP & CAMP KAVOD: Campers registered may be dropped off no earlier than 7:30 am in front of the Zale Early Childhood building.

EARLY CHILDHOOD: Campers should be walked inside for Pre-Care no earlier than 7:30 am inside the Zale Early Childhood building.

LATE ARRIVAL

Any camper who arrives after 9:00 am is considered late. Staff will no longer be present at the drop off areas. Camper must be brought to the camp office by the parent, where they will be signed in and escorted to their group by a camp staff member. **Children are not permitted to go by themselves to their camp group and parents cannot take them directly to an activity area or to their room.**

Everyone runs late from time to time, but habitual lateness is extremely disruptive to the smooth operation of camp programming, particularly in younger age groups. If for any reason you expect to be unable to drop off your child on time on a regular basis, please contact the Camp Director to work out an individual plan.

DISMISSAL CARPOOL POLICIES

Please obey all traffic rules (including use of turn signals) and refrain from using your cell phone while waiting for your child. Make sure your carpool sign (with your child's name and group) is displayed.

Put your car in **Park**. Children will be escorted and placed in their cars. Once all the cars have been safely filled, a staff member will direct you to exit onto the perimeter road. Please do not move forward until directed, even if the car in front of you has moved forward. Please do not change lanes unless directed.

NOTE: Older children will dismiss with younger children if they share a carpool. Camp staff will escort the older camper to the appropriate younger camp group.

Do not ask your child to be somewhere other than their assigned carpool location.

EARLY CHILDHOOD (1:00, 2:30, 4:00 PM)

Pickup Point A: In front of Zale Building

Please meet your child and their counselor by your back car door. Staff will place your child in their car seat then step away for you to safely and quickly buckle them in. Return to your driver's seat and wait for your car to be directed to leave the car pool line.

UPPER CAMP: CHAVERIM & SIMCHA/ORA

Pickup Point A: In front of Zale Building

UPPER CAMP: GIBORIM, BOGRIM, MANHIGIM

THEATER CAMP

Pickup at the Levis JCC Sandler Center

EARLY DISMISSAL If you want to pick up your child in lieu of participating in the carpool dismissal, you must notify the camp office by 3:00 pm and pick up at the camp office by 3:30 pm. On Friday's, the times are 2:00 and 2:30, respectively. (Early Childhood early dismissal must pick up 15 minutes prior to dismissal in the room.)

ALTERNATE DISMISSAL If your child is to be picked up from camp by someone other than yourself or pre-authorized designee, please submit in writing the name of the alternate driver to the Camp Office in writing. For your child's safety, proper identification will be required from the alternate driver.

EARLY CHILDHOOD RELATED HEALTH & SAFETY ISSUES

All children are allowed to come to camp in diapers until they have learned to use the toilet on a consistent basis. "Pull-ups"; however, are not permitted to be worn to camp. Children who are not toilet trained need to wear swim diapers with a proper vinyl covering.

INJURIES

For minor accidents not requiring medical attention, campers will be brought to the nurse for treatment and notification will be sent home explaining the incident. Should emergency medical treatment be required for your child while he/she is at camp, the following procedures will be followed:

- We will first call parents(s) or guardian(s). If unable to be reached, the emergency phone numbers given to us and/or your child's personal physician will be called.
- If the emergency contacts are unavailable, and emergency attention is required, 911 emergency services will be called to transport your child to the hospital. For the convenience of all members, the Adolph and Rose Levis JCC has excess group medical accident insurance. This plan covers injuries caused by accident while participating in Adolph and Rose Levis JCC activities and is subject to \$100 deductible. Benefits are payable based on what is not covered by your insurance carrier.

LUNCH/SNACK

EARLY CHILDHOOD & UPPER CAMP Lunch and snacks are provided to all campers in programs until 2:30 or 4:00 pm. The menu will be available online via the website at levisjcc.org/camp. Cafeteria lunch consists of a hot entree, vegetable, fresh fruit and salad bar. Alternatives that are always available include bagels and soy butter and jelly sandwiches.

EARLY CHILDHOOD 12:00 AND 1:00 PM Campers should bring a Kosher, dairy or parve lunch. Snacks will also be provided to all campers on a daily basis.

CAMP KAVOD Campers should bring a Kosher, dairy or parve meat lunch every day, including field trip days. Camp Kavod will provide a healthy snack each day. Please do not mix meat and dairy.

THEATER CAMP Campers receive lunch daily. Salad alternatives and pasta always available. Snacks will be provided on a daily basis. Water, lemonade, and peach tea are provided daily. Please let us know if your child has any dietary concerns.

UPPER CAMP TRIPS, OVERNIGHTS & LATE NIGHTS

These experiences enhance our camp programs each week. Parents should check their camp calendar for dates when trips, overnights or late nights will be taking place. In addition, reminders and information on the program, as well as a clothing/supply list will be sent home in advance via email and/or sent home with your camper. All admission and activity fees are included in the camp fees.

All unit calendars can be found on our website at levisjcc.org/camp in the Parent Resources section for each camp. Please note that all trips are subject to change or possible cancellation due to weather or other schedule conflicts.

CELL PHONES Campers should not carry cell phones with them while on campus, however during trips campers are allowed to bring their phones. If it becomes a problem and causes disruption to the program, they will have their phone confiscated and returned to a parent at the end of the trip.

DRESS CODE Please have campers wear their camp T-shirts on field trip days. For overnights, we ask the campers to pack at least 2 camp t-shirts. When they travel to larger venues (amusement park, baseball game, etc) they must wear their camp t-shirts. Otherwise, while on an extended trip, they can wear regular clothes.

FOR MANHIGIM CAMPERS

We recognize that the teenage years are a time for increased independence. The program is specifically tailored to provide opportunities for teens to share time with their friends. In order for this program to be a success, it is of paramount importance that we have parental support. We have in place a set of policies and guidelines with which we expect all of our campers and parents to abide by. There will be a meeting for campers and parents in Manhigim campers on Wednesday, May 22 at 6:30 pm at the Sandler Center.

A NOTE TO PARENTS OF CITs

The CIT program is designed to be a training program. It is our hope that by the end of the summer all CITs will be qualified to be considered for a counselor position the following summer. Unfortunately, there are many more CITs than available positions, so employment is not a guarantee. If your child is interested in applying for a position next summer, they will be given instructions on how to do so.

Parent involvement in this process is extremely discouraged. Please understand, they are applying for a position that requires a tremendous amount of responsibility. A successful counselor must have the maturity, ambition and confidence to independently follow their own pursuits.

CAMP CONDUCT

The philosophy of our program is to provide your child with a safe and secure camp environment where each child is valued for their unique strengths and interests. Each camper can look forward to a summer of fun-filled activities on the Levis JCC campus and within the community. In order to ensure that each camper has the opportunity to experience camp in the most positive way, we have established basic behavioral guidelines to maintain the safety and fulfillment of all the campers.

Our camp schedule has been creatively designed to maximize each child's success. We will work diligently to help each child have a wonderful summer. If any camper demonstrates inappropriate actions that could jeopardize his/her safety, the safety of the other campers or staff, the staff will immediately intervene. They will make every effort to redirect the camper to more appropriate actions and to help every child understand the impact of his/her behavior. Depending on the severity of the behavior, the parent may be asked to pick up their child for the remainder of the day. The Camp Director will meet with the parent(s) to strategize ways for the camper to successfully return to camp.

If any child is unable to successfully maintain positive and safe behaviors in camp after the parent/staff team has attempted interventions, the camper may be dismissed from camp for the remainder of the summer.

We encourage you to contact us at any time to discuss your child's camp program. If you have any issues, you are encouraged to first speak to the counselor, but the door to the Director's office is always open to parents.

AQUATICS

The swim program is led by Aquatics Director, Elisa Nusiner. Elisa is the owner/founder of Happy Swimmers, a local swim instruction company, focused on providing the lifelong gift of swimming ability and safety. Under her leadership and guidance, the swim staff will apply the same skills and techniques to provide a superior level of instruction in a safe environment.

PHILOSOPHY The aquatics program is an integral part of the daily camp program. We believe firmly that all children should be equipped with fundamental swimming skills. Therefore, we afford time for every camper (age 2+) to participate in the aquatics program on a daily basis. We are sensitive to the needs of beginner swimmers and work diligently with campers who may express reservations about participating in the aquatics program. We will encourage campers but never force them into the pool. We always appreciate your support in helping provide your child(ren) with this vital life skill. Instruction is provided to campers according to the guidelines of the American Red Cross.

BACK THIS YEAR IN AQUATICS: INTRO TO WATER SAFETY SWIM FOR 2's Early Childhood Campers in the 2s program can also learn pool and water safety with Elisa Nusiner in a 1:3 Instructor to Child ratio plus additional supervision on the pool deck. Lessons are 20 minutes, 2 days a week. This is an optional program for 2 year old campers who attend the 5-day full-time program.

GOALS

1. To maintain safety at all times
2. To help each camper learn and improve swimming skills at his/her own pace
3. To make it FUN. If campers are having fun, within safety guidelines, they will improve and become more confident. Having fun and developing confidence is what swimming and camp are all about.

RAINY DAYS On days when the weather isn't cooperating, the decision will be made by the Aquatics Director whether or not to cancel swim. Please always send a bathing suit with your child as the weather often changes during the day.

IMPORTANT If your child cannot swim on a given day, he/she must bring a written note from his parent(s)/guardian before being excused from instructional swim.

PRIVATE SWIMMING LESSONS Private lessons are available throughout the summer and throughout the year. For more information on these classes, contact Happy Swimmers at elisa@happyswimmers.org.

COMMUNICATION

GOING AWAY? When you are out of town anytime during the camp season, please advise us (in writing) and provide the name and phone number of local contacts, should it be necessary to contact them.

NEWS & PHOTOS: CAMPMINDER & FACEBOOK You will be able to view pictures of your child(ren) engaged in camp and spending time with their friends. Please note that we will try to take as many pictures as we can of each child, but it may not be possible to get every child, every day. To view the photos, you can log in via your CampMinder account, accessible through the parent portal at levisjcc.campintouch.com or via the Camp Facebook page. If you have any questions or need assistance viewing news or photos, please feel free to call the Camp Office.

DAILY UPDATES Unit Heads will be making use of an App to enhance your camp experience. You will receive further information at the orientation.

BIRTHDAYS

EARLY CHILDHOOD & CAMP KAVOD: You are welcome to bring in a treat for your child's birthday. Please make arrangements with your child's counselor in advance. Any items brought must be store bought, Kosher, and nut-free.

UPPER CAMP: For those campers whose birthdays fall during camp, you can order a birthday cake for a group celebration during lunch. No other food may be brought into your child's group, whether baked goods from home or kosher products from a local store. This celebration is for campers only.

OBSERVING YOUR CHILD

As parents, nothing gives us greater pleasure than to watch our children interact with other children and to see them make new friends and to learn new skills. While we understand this urge, we ask that you understand that your presence can inhibit the normal function of activity and supervision.

LOST & FOUND

Lost & Found is located in the Camp Office, DKJA Room 122. If you are missing anything, please check the Lost & Found regularly. If for any reason your child comes home with any belongings that do not belong to them, please return them to the camp Lost & Found. We donate to charity any unclaimed items two weeks after camp has ended. Please help us return Lost & Found items to their rightful owner by making sure all clothing is labeled with your child's name.

SPENDING MONEY

Our camp tuition covers all costs associated with our camp as well as entrance fees and activity costs for off-campus trips. We provide snacks, meals and drinks on all trips, so it is not necessary for you to send additional money with your child(ren).

We understand that older campers may enjoy having spending money on trips. When possible, we will allow campers in Giborim, Bogrim, Manhigim, Theater Camp, Kavod Bet 2, Gimel, and Daled to bring money with them. We encourage you to be conservative with the amount you send. Younger campers should not bring any money as they will not have the opportunity to spend money on any of the trips.

TIPPING POLICY

Acknowledgements of appreciation are encouraged and welcomed by the staff. There are no designated tipping recommendations. Parents are encouraged to use their own judgment.

Throughout the course of the summer, it is possible that a Counselor or CIT may change groups. This most likely would occur at the beginning or end of a session. When this happens, we will notify you so that you may take this into consideration.

CUSTODY

If there is no legal documentation, both parents have the right of access to records and pick-up of their children. It is the custodial parent's responsibility to provide legal documentation verifying custody arrangements. Custodial parents are responsible for notifying the camp in writing of any special circumstances with regard to rights and obligations of the non-custodial parent. This includes providing written permission for the non-custodial parent to pick up a child on a regular basis or for a special occasion.

SPECIAL NOTES ABOUT THEATER CAMP

EXTRA ACTIVITIES: Weekly camp activities are also scheduled for the kids, which include Trapeze, Go Carts, Free Swim and Gymnastics. Each of those sessions is relatively short (45mins) as not to interfere with the rehearsal schedule, but rather to give everyone a break from the rehearsal process. There will also be camp wide events (i.e. Carnival) that campers will be attending.

We will do everything that we can to give your child/children an exciting, challenging, fun-filled, and safe camp experience. Should there be a need to share information with us concerning your child's stay with us at camp, to have something explained or clarified, or alert us to some dates or a time when you will be away from home during the summer, we would be happy to hear from you and help you and your family in whatever way we can. Please don't hesitate to give us a call in our camp office, or e-mail us at any time prior to, or during the summer.

SEE YOU THIS SUMMER!
