Strengthen.

A partnership with the Levis JCC provides an opportunity to reach our dynamic community of both young families and active mature adults, gaining exposure to thousands of individuals who regularly participate in Levis JCC programs, activities and events, as well as to the broader community at large. Partnering with the Levis JCC is a solid business decision, rewarding both personally and professionally – it strengthens your business and our community.

Collaborate.

Working together, the Levis JCC can help you showcase your business to our community through a variety of exciting opportunities. Major, large scale events are an excellent way to reach a broad audience, while sponsorships of smaller events and/or specific programming is an effective strategy to target market your business. In addition to the various sponsorship levels, there are also opportunities to sponsor individual events for maximum exposure tailored to your target audience.

Connect.

Community... more than a geographic location, it's what connects us.

Community can define us, comfort us, build us up. These days, there are so many ways to be part of a community, all enriching and rewarding.

Locally, there is one place that embodies all of these elements of community. The Adolph & Rose Levis Jewish Community Center is a key connector—bringing people from all ages, diverse backgrounds, and faiths together for engaging programming and services. For more than 36 years, the Levis JCC has been “home” for thousands of individuals and families in West and East Boca Raton, as far South as Parkland and as far North as Boynton Beach, and that tradition continues to grow.

Partner.

Through the generosity of our robust Community Partners program, the Adolph & Rose Levis Jewish Community Center is able to continuously offer the highest quality programs and services for individuals of all ages and abilities.
